Excursions allow for some exploration of the local culture.

A project with a like-minded organisation allows participants to be immersed in, and give back to, the local community and culture.

SAFETY & SUPPORT

Seminar Camps are overseen by a team of 4-6 staff over the age of 21.

Staff are selected through a rigorous application process which includes a working with children check, a police check and contacting at least 2 referees.

They must complete CISV International's Seminar Camp Staff Training which ensures they are prepared for facilitating 17 and 18-year-olds specifically.

CHILD PROTECTION POLICY

CISV makes the protection of children their first priority. CISV Australia has and abides by a strict Child Protection Policy which covers all relevant Australian laws.

Our staff have all read and agreed to abide by this policy both when in Australia and overseas, as well as having passed a working with children check and national police check.

Internationally, CISV implements a Child Protection Policy, based on UK law, which all countries must abide by.
